Ulteriori informazioni o, nel caso, eventuali variazioni della data e dell'ora del Colloquio saranno pubblicate su questa pagina web.

The online publication of the schedule of selections has full notification value for the purpose of calling candidates, who will be admitted to the oral test following the qualification evaluation. Only candidates residing or domiciled outside the Region will be able to participate to the interview in remote via Teams by sending a request by email to silvana.esposito@unicampania.it by 29/01/2023. The applicant's identity will be verified by simultaneous presentation of the colour identification document, already attached to the application form, at the established time and in the presence of the other applicants. It is forbidden to make audio/video recordings of the interview remotely through the computer platforms used. It is also forbidden for anyone to broadcast audio/video recordings made with instruments other than the platform. The absence of the candidate on the day and time of the exam will be considered as a waiver of the exam itself, whatever the cause. A special channel will be created on the Teams platform on which the interviews will take place, and candidates admitted will receive the email with the link to access and the timing for the oral exam.
