

For **all candidates admitted** to the oral interview following the evaluation of qualifications, the interview will be conducted on the Microsoft Teams platform.

According to the interview calendar published soon, your email will be automatically added to the Team.

Each candidate will have a **maximum of 5 minutes** to present a PowerPoint of **no more than 5 slides**, briefly highlighting their experimental skills and how they relate to the presented research project.

Caserta, 16/07/2024

The President of the evaluation committee

Prof. Sandro Cosconati
